

SUMMER 2024 EPRM NEWSLETTER  
Sent to all users July 2024

**EPRM**  
**Enterprise Protection**  
**Risk Management**

EPRM Users,  
(Recipients are BCC'd)

This newsletter is being sent to all individuals with an EPRM account on behalf of the current program manager: Mr. Shawn Quillen [shawn.quillen.1@us.af.mil](mailto:shawn.quillen.1@us.af.mil)

### **SURVEY MONKEY**

As we previously mentioned, EPRM is getting an extensive update in early 2025. We are seeking feedback to understand the priorities of all EPRM users. This survey will take less than 3 minutes and will guide our future development; we appreciate your input:

Survey was open to those that received the newsletter via email.

### **LIVE TRAINING WEBINARS**

We will be hosting periodic, scheduled LIVE training webinars that will cover each of the EPRM modules (e.g., OPSEC, AT/FP, etc.). The first of which will be hosted in July, details below.

Subject Covered: EPRM OPSEC

Date: 29 July 2024

Time: 1400-1500 Eastern Time

Who should attend? Anyone that is interested.

How do I attend? Email [EPRMhelp@hii-tsd.com](mailto:EPRMhelp@hii-tsd.com) for an invite to the webinar.

### **MARMS**

The Antiterrorism Force Protection (ATFP) module in EPRM is being updated to include the 2023 DoD Benchmarks. We had anticipated the update being applied in July, but updates are still being finalized. Updates will be pushed to SIPR in early fall.

### **SEEKING VOLUNTEERS**

As mentioned in the last newsletter, the modernization of EPRM will require testing and early implementers. If you would like to test the application and provide preliminary feedback, please send an email to our user support team. Preliminary testing is expected to begin in late summer/early fall.

Testers will receive instructions and access to the testing environment. Feedback will be used to ensure the tool is meeting the needs of the field. If you already volunteered – thank you!

### **EPRM HELP – MODERNIZED SITE**

User guides and help videos are available on the recently modernized EPRM Help page:  
<https://eprmhelp.countermeasures.com/>

Old and new Newsletters will be posted on the EPRM Help website moving forward.
