## WEBINAR ATTENDANCE

Below is a breakout of ATFP webinar attendance by organization.

\*Percentages are based on who signed in with name and/or organization.

\*\*"Other" represents organizations with 2 or fewer attendees across all ATFP webinars provided thus far.

## COMMONS QUESTIONS ABOUT OUR WEBINARS

### **-Can you provide me a training certificate for attending these webinars?**

We are not permitted to provide certificates at this time; however, we can provide you with an email after the webinar congratulating you on completion of the session. You can send the email to "Center for Development of Security Excellence" (CDSE) to request Professional Development Units (PDUs). Please email the EPRM user support team requesting a congratulatory email after attending a webinar, if needed.

**-I would like to take webinar 4, but I haven't taken 1, 2, or 3, is that OK?**

You are welcome to attend; the trainings are numbered and intended for those that have taken the previous classes, but the sessions are open to all. Previous training webinars can be viewed, as listed below.

**-Are webinars recorded and posted?**

Yes, webinars will be recorded and posted (link at bottom). The posted webinar recordings are:

- The OPSEC Module webinar
- ATFP
  - Session 1: ATFP Module Overview
  - Session 2: ATFP Module Workflow (*and the Associated Checklist*)
  - Session 3: (NEW!) ATFP Module Criticality Assessment
  - Session 4: ATFP Module Threat Assessment (*Will post in February*)

## MARMS

The ATFP module Benchmark updates will now appear in the modernized EPRM which is set to launch later this year.

## EPRM MODERNIZATION AND TESTERS

As previously noted, an email providing details of the testing plan and asking for minor input was sent to all those that are signed up for testing on 9 October 2024. If you did not receive the email and want to be a tester, please email the help desk. While dates are not final, the testing is expected to begin in early 2025.
