Introduction

The survey function is a core capability of the EPRM tool. It uses a process model to walk an auditor through the steps of completing a survey. The following pages will present the process in a way that will guide a user through completing a survey. The survey objective selected for this guide may not depict the same objective assigned to the audience but the process for completing the survey is generally the same.

Manage Surveys Home Screen

After clicking the Manage Survey Responses button users are brought to the Manage Surveys Home page.

The activity buttons from the Home page now appear at the top of the screen throughout the EPRM tool.

Users can begin a new survey by clicking the green “Start” button or double-click a row in the grid to continue work on an existing survey.

The upcoming surveys section displays future surveys to be conducted at the user’s node in the hierarchy.

The screenshot shows the Manage Surveys Home page. At the top, there is a navigation bar with icons for Main Menu, Manage Assessments, Advanced Analysis, Manage Templates (including AHTAs), Manage Survey Responses, and User Guides and References. Below this, the page title is 'Home > Manage Surveys Home'. A message states: 'This is where you may create a new survey or view / modify existing surveys based on privileges or permissions unique to your User Profile. [More]'. A green 'START' button is visible, with a link 'Start a New Survey' below it. A table titled 'Started and Completed Surveys' is shown, with columns: id, Survey Name, Due Date, Status, Owner, Node, Created, and Objective(s). The table contains several rows of survey data. Below the table, there is a 'Timeline (in months): 12' section with a slider. At the bottom, there is a section for 'Upcoming Surveys (next 12 months)' with a table showing survey details. A blue callout box points to the timeline slider with the text: 'Use the slide selector to change the number of months displayed.'

Creating a New Survey (continued):

1. Name your survey. It is recommended to include a date (YYYYMMDD) in the name for file management purposes.
2. Select unit or organizational node. This allows the survey to be viewed by your organization and is essential for higher level analysis and the control of unit information.
3. Check the survey type ('Objective').
4. Click on Due Date field to bring up a calendar and select a due date, if desired.
5. Click **"Continue"**.

The screenshot shows the 'New Survey' form with the following elements and callouts:

- Callout 1:** Points to the 'Survey Name*' field, which contains the text 'AFS - 124th SDN - 20201030'. A blue box to the right contains the text: 'Best practice: utilize a conventional naming strategy to standardize survey identification within your organization.'
- Callout 2:** Points to the 'Node (select one in plain text)*' dropdown menu. The menu is open, showing a hierarchy of nodes. The '124th Squadron' node is highlighted. A blue box to the right contains the text: '"Search Nodes" feature allows the user to find their unit directly, without manually expanding the hierarchy.'
- Callout 3:** Points to the 'Objectives (select at least one)*' section, which has a checkbox for 'Assessment Focus Statement' that is checked.
- Callout 4:** Points to the 'Due Date' field, which is currently empty. A 'Clear Due Date' button is next to it.
- Callout 5:** Points to the 'Continue' button at the bottom right of the form.

The form also includes a 'Back' button at the bottom left and a 'Node legend' section explaining the status of nodes (plain text, gray strikethrough, or dark background).

Administrative Tools: Manage POCs

This feature allows users to add points of contact to the survey file. Initially, only the owner of the survey can be found in the POC list. However, users may wish to add a relevant POC, e.g, program manager, unit security manager, et al.

The screenshot displays the 'Manage POCs' interface for a survey titled '3280 AFS - 124th SDN - 20201030'. The interface includes a sidebar with various management options, a main table of existing POCs, and a form to add new ones.

Callout 1 (Top Right): Click "Add New Entry" to enter other POC data for this survey.

Callout 2 (Bottom Left): Name of assessor, any added POCs will display here also.

Callout 3 (Bottom Right): To add an individual, required fields are name, phone, and email. It is also recommended that the Title/Job Function be included.

Interface Details:

- Left Sidebar:** Contains buttons for 'Rename', 'Share this Survey', 'Change Owner', 'Delete', 'File/Image Upload', 'Export to Excel', 'Upload Responses', 'Reports', and 'Manage POCs' (highlighted with a red dashed box).
- Main Content Area:**
 - Header:** 'Home > Manage Surveys Home > 3280 AFS - 124th SDN - 20201030 > 1 - Data Collection > Additional POC'
 - Instructions:** 'Please enter additional points of contact (POCs) for your survey, program, organization, etc. To complete the form below, please use the Add New Entry button to update your survey with additional points of contact. To edit an entry, double-click on the line for that POC. To delete an entry, highlight the entry by clicking on the line once and then the Delete Entry button.'
 - Buttons:** 'Add New Entry' (highlighted with a red dashed box and a green arrow) and 'Delete Entry'.
 - Table:** Titled 'Additional POCs' with columns: Name, Title, Email, Phone. It contains one entry: 'Steele, Rusty' with email 'rs@1.com' and phone '703.575.1687'.
 - Form:** Titled 'Who is your organization's point of contact (POC)?'. It includes a 'Clear form' button and a list of required fields: Full Name*, Title/Job Function, Phone*, Cell Phone, Email*, Organization Name, Address, City, State, ZIP/Postal Code, and Country. The 'Full Name*' field is split into (F) and (L) sub-fields.
 - Footer:** 'Cancel' and 'Save' buttons.

Common Administration: Rename

The “Rename” feature allows users to change the name of a survey. Click Rename, enter the new name in the box provided, then click “OK” to save the change.

The screenshot displays the 'Survey Administration' window. At the top, a text box asks 'What would you like to name this Survey?' and contains the text 'AFS - 124th SDN - 20201030'. To the right of this text box are 'OK' and 'Cancel' buttons. Below the text box is a list of actions, each with a button and a description. The 'Rename' button, with the description 'Change the name of this survey', is highlighted with a red dashed rectangular box. A green arrow points from this box to the text input field. A blue callout box on the right contains the text: 'The current survey name is populated. Type a new name in the text box, then click “OK”.' The other actions in the list are: 'Open for Editing' (Unlock this survey for editing), 'Share this Survey' (Share this survey with other users), 'Change Owner' (Give responsibility for this survey to another user), 'Delete' (Permanently delete this survey), 'File/Image Upload' (Upload files or images), 'Export to Excel' (Export to Excel for Offline Processing), 'Upload Responses' (Upload Responses from Excel), 'Reports' (Generate reports and survey aids), and 'View POCs' (View points of contact).

Administrative Tools: Share this Survey

Selecting “Share This Survey” allows users to give other EPRM users access to a survey. Allow others to read, edit, and/or conduct analysis depending on the privileges selected.

The screenshot shows the 'Survey Administration' page. On the left is a sidebar with buttons: 'Open for Editing', 'Rename', 'Share this Survey' (highlighted with a red dashed box), 'Change Owner', 'Delete', 'File/Image Upload', 'Export to Excel', 'Upload Responses', 'Reports', and 'View POCs'. The main area has a title 'Survey Administration' and a subtitle 'Share Survey'. Below this is a table titled 'Change the share permission for the' with columns: 'Name', 'E-Mail', 'Owner Level', and 'Permissions'. A green arrow points from the 'Share this Survey' button to the table. A blue callout box points to the table with the text 'User can designate permission for others to access a survey.' Another blue callout box points to the 'Permissions' column with the text 'Pulldown menus allow selection of permissions.' The table lists several users, and the 'Permissions' column shows a dropdown menu for 'Carr, Lisa' with options: 'None', 'Read Only', 'Read/Write', and 'None'.

Administrative Tools: Export/Import

The “Export to Excel” and “Upload Responses” functions work together to allow the user to complete the survey responses outside of the EPRM tool, in an Excel spreadsheet, and upload the responses back into the tool. Upload progress periodically or when all questions are completed. Subsequent uploads will overwrite existing data in the tool.

The diagram illustrates the process of exporting survey data to Excel and uploading responses back into the system. It features three main components: a Survey Administration menu, an Excel spreadsheet, and a Survey Upload Responses interface.

Survey Administration Menu: A list of administrative actions for a survey, including:

- Open for Editing: Unlock this survey for editing
- Rename: Change the name of this survey
- Share this Survey: Share this survey with other users
- Change Owner: Give responsibility for this survey to another user
- Delete: Permanently delete this survey
- File/Image Upload: Upload files or images
- Export to Excel: Export to Excel for Offline Processing** (highlighted with a red dashed box)
- Upload Responses: Upload Responses from Excel** (highlighted with a red dashed box)
- Reports: Generate reports and survey aids
- View POCs: View points of contact

Excel Spreadsheet: A screenshot of an Excel spreadsheet titled "Survey Offline Export". The spreadsheet contains the following data:

Administrative Tools: Reports

The “Reports” feature allows the user to generate various report products as a document or spreadsheet format. The report product type and variety will vary with the selected objective. In the example objective chosen for this guide only Word documents are available, but other objectives may produce reports for Excel.

The screenshot displays the 'Survey Administration' interface. On the left, a list of administrative actions is shown, with the 'Reports' option highlighted by a red dashed box and a green arrow pointing to the right-hand panel. The right-hand panel, titled 'Survey Reports', shows the path 'Home > 3280 AFS - 124th SDN - 20201030 > Reports' and explains that EPRM can generate various report documents. It prompts the user to 'Pick the report you want to create...' and provides two columns: 'Survey Reports (Word)' containing links for 'AFS Survey Report' and 'AFS Survey', and 'Survey Reports (Spreadsheet)' which is currently empty. At the bottom of the right panel are 'Back' and 'Continue' buttons.
