## COMMON QUESTIONS ABOUT OUR WEBINARS

**-In the last newsletter you said there were 2 ATFP webinars, did you add more?**

Yes, based on feedback, we have added additional ATFP/IDRMP classes.

- Session 1: ATFP Module Overview
- Session 2: ATFP Module Workflow
- Session 3: ATFP Module Criticality Assessment
- Session 4: ATFP Module Threat Assessment
- Session 5: ATFP Module Vulnerability Assessment (Dates TBD, January)
- Session 6: ATFP Module Risk Assessment (Dates TBD, February)
- Session 7: ATFP Module Risk Assessment Reporting (Dates TBD, March)

**-I would like to take webinar 3, but I haven't taken 1 and 2, is that OK?**

You are welcome to attend; the trainings are numbered and intended for those that have taken the previous classes, but the sessions are open to all. Previous training webinars can be viewed, as listed below.

**-Are webinars recorded and posted?**

Yes, webinars will be recorded and posted on the EPRM Help page, linked below. The two recent webinars currently available on the EPRM help site are:

- Session 1: ATFP Module Overview
- The OPSEC Module webinar

## WEBINAR FEEDBACK (New!)

When we send participants the slide deck after a webinar, we are now including a link to provide feedback – please take two minutes to answer these questions. Your input helps us understand users' needs, so that we can update our trainings to accommodate.

## MARMS

The Antiterrorism Force Protection (ATFP) module update is on schedule and is anticipated to be pushed to SIPR this fall – this update will include the 2023 DoD Benchmarks.

## EPRM MODERNIZATION AND TESTERS

An email providing details of the testing plan and asking for minor input was sent to all those that are signed up for testing on 9 October 2024. If you did not receive the email and want to be a tester, please email the help desk. While dates are not final, the testing is expected to begin in late 2024/early 2025.

## EPRM HELP SITE
